### **Nurse 1**

Lambayong District Hospital  
HealthCare / Medical  
Maligaya Lambayong, Sultan Kudarat

It Is our duties and responsibilities to make sure that we perform frequent evaluation, including monitoring and tracking vital sign. Establishing a rapport to the patient and other members of the health team. Carry out doctors order and double check before implementing. In addition, we also assist in during minor surgery such as wound suturing and cyst removal. Finally, we provides care and prevents further injury to the patient.

Jan 2013 - Nov 2016  
(3 Years, 10 Months)

### **Nurse 2**

Notre Dame Hospital And School Of Midwifery  
HealthCare / Medical  
Sinsuat Avenue Cotabato City

As a care provider, it is our duty to provide acute and close monitoring for adult patient with severe complications. We are trained to perform a broad scope of clinical procedures by utilizing the use use of various non-invasive monitoring equipment such as mechanical ventilator( TLV, PLV 102) , cardiac monitor(ecomed), pulse oximeter (nellcor), electro cardiogram and defibrillator. We also works in collaboration with the attending physician to discuss and identify patients needs.
